

Age in Place Home Modification

*Beauty doesn't have to be sacrificed
to achieve functionality*

Home modifications tailored to your place in life. You can continue to live in your **OWN** home safely and independently with **Functionality & Freedom** – at a fraction of the cost of assisted living.

ActiveWest is an Award Winning Builder for seniors – incorporating Universal & Aging-in-Place design into homes and experienced with disability code requirements. From decorative grab bars, ramps, bathroom & kitchen modifications to larger remodeling projects, we bring **Functionality & Freedom** to the home you've grown to love.
